

Kai Tak Project Ground Breaking Ceremony

The project "Contract No. KL/2014/01 - Kai Tak Development – Stage 2 Infrastructure Works for Developments at the Southern Part of the Former Runway" undertaken by CEC – CCC Joint Venture, held a ground breaking ceremony on 12 November 2016. Management from CEDD, AECOM and CEC – CCC Joint Venture gathered in the ceremony to mark the commencement of the construction, and wish the construction goes smoothly and well.

Management from CEDD, AECOM, and Chit Cheung Construction Co., Ltd gathered in the ceremony to mark the commencement of the construction.

Management from CEDD, AECOM, and Chit Cheung Construction Co., Ltd posted a group photo.

The project has already been commenced on 30 November 2015 and various sections were scheduled to be completed between the end of 2017 and 2019. The scope of works includes construction of roads, elevated landscaped deck, noise barriers, footpaths, pedestrian streets, street lighting, traffic aids, drainage, sewerage, water-mains, landscaping and ancillary works at the former runway.

In future, Sun Fook Kong will continue to provide professional construction services to its clients and actively take part in the provision of the public facilities.

Sun Fook Kong Organized the Theme Park Christmas Party

To celebrate the Christmas, Sun Fook Kong organized a Theme Park Christmas Party at Cordis Hotel on 23 December 2016. More than a hundred colleagues from Hong Kong and Mainland China joined the party and shared a happy moment.

Senior management of Sun Fook Kong toasted together.

More than a hundred colleagues from Hong Kong and Mainland China joined the party and shared a happy moment.

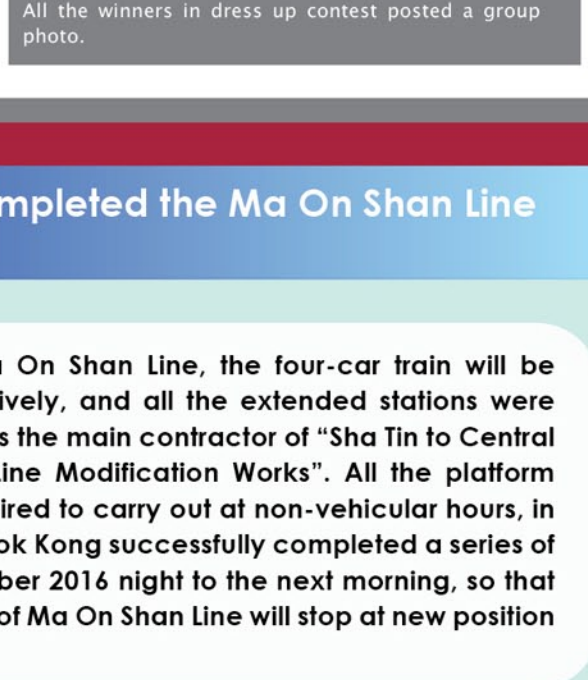

The party was themed "Theme Park", encouraging the participants to dress up like the popular characters in theme park. A dress up contest was held as in previous years, and awards were presented to the most impressively dressed cosplayers. Besides a delicious lunch buffet, the company had arranged a live band show and lucky draw session for all guests to share the joy of Christmas.

To praise and reward the employees who had worked in Sun Fook Kong for over 25 years, Sun Fook Kong presented the 25th Anniversary Award in Christmas Party for two consecutive years. 11 colleagues were awarded with a crystal trophy and gold coin by Mr. Alan Chan, Chairman of Sun Fook Kong Group.

To appreciate its colleagues for their continuous support, Sun Fook Kong will organize various activities for them to release their pressure from work in future.

Mr. Alan Chan, Chairman of Sun Fook Kong Group, presented the 25th Anniversary Award for 8 colleagues.

All the winners in dress up contest posted a group photo.

Sun Fook Kong Successfully Completed the Ma On Shan Line Platform Extension Work

To enhance the MTR service on the Ma On Shan Line, the four-car train will be replaced by the eight-car train successively, and all the extended stations were open from 20 November 2016 onwards. As the main contractor of "Sha Tin to Central Link Contract No. 1101 - Ma On Shan Line Modification Works". All the platform extension works of nine stations was required to carry out at non-vehicular hours, in order not to affect the passengers. Sun Fook Kong successfully completed a series of platform extension works from 19 November 2016 night to the next morning, so that starting from 20 November 2016, all trains of Ma On Shan Line will stop at new position in the platform.

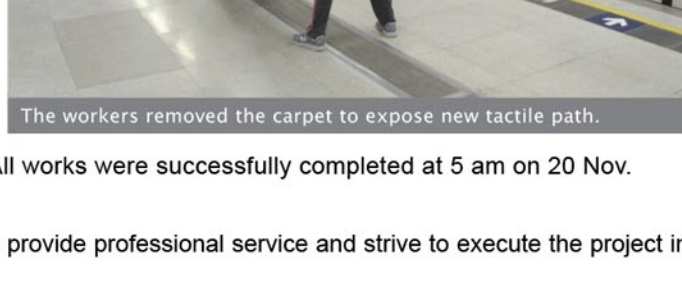

Mr. Jimmy Shing, Senior Project Manager of Sun Fook Kong, briefed the team leaders before the works began.

About 90 employees from Sun Fook Kong and subcontractors posted a group photo.

Sun Fook Kong Joint Venture, being responsible for part of the extension works, successfully completed a number of tasks, including the removal of the platform barriers, pasting the tactile path, cleaning work and so on. About 90 employees from Sun Fook Kong and subcontractors arrived at Shek Mun MTR Station at 10:00 pm on 19 Nov. After a briefing with the team leaders, the workers of each team were assigned to the 9 stations along the Ma On Shan Line and completed the works according to the detailed schedule. All works were successfully completed at 5 am on 20 Nov.

The workers removed the carpet to expose new tactile path.

In the future, Sun Fook Kong will continue to provide professional service and strive to execute the project in an efficient manner.

In-House Site Visit to Hong Kong Housing Authority Project

In order to develop the staff's expertise, Sun Fook Kong organized an in-house technical site visit to Hong Kong Housing Authority Project "Construction of Home Ownership Scheme Development at Sheung Lok Street, Homantin" on 3 December 2016. A total of 19 SFK staff from different sites participated in this site visit and they all had learned a lot.

The participants were inspecting the site.

All the participants posted a group photo.

Sun Fook Kong is the main contractor of the project "Construction of Home Ownership Scheme Development at Sheung Lok Street, Homantin", and it has been commenced in 26 Feb 2015 and will be completed in early 2019.

The Works mainly involve demolition of existing structure, strengthening of existing soil nailed walls, site formation works, construction of retaining walls, underground utilities, 3 no. domestic blocks (Block A and C of 27 storeys, Block B of 26 storeys, total 288 domestic units), and 2-storey semi-basement carpark. At this stage, the major works include strengthening of existing soil nailed walls, demolition of structures, site formation, bored piles and Block B pile cap.

The site visit included a presentation of background and project particulars. Afterwards all the participants made a site tour and inspected the demolition works, strengthening works for the existing soil nails, site formation work, construction of bored piles and pile cap.

Nurturing employees is one of our crucial missions. Sun Fook Kong will continue to provide more training to its staff in future.
